Linge Ping is a traditional practice associated with the originality, culture and collectivity of Nepali society. It is not only a game but also a means of preserving social relations, traditions and culture. At a time when traditional customs are being lost due to modern lifestyle, it is our duty to preserve practices like Linge Ping.

The Rotary Club of Hetauda has organized and operated Linge Ping at the Children's Park in

Hetauda 4. Linge Ping has been launched on the auspicious occasion of Bada Dashain and Diwali with the aim of entertainment and promoting brotherhood as well as preserving culture.
