World Sight Day - Public awareness stall on eye health

In the context of celebrating World Sight Day 2025, which is celebrated globally by the World Health Organization on the second Thursday of October. In collaboration with the Hetauda Community Eye Hospital, a public awareness stall on eye health was set up at Buddha Chowk in

Hetauda to raise awareness. This stall was well attended by service recipients seeking information and information on eye-related problems. Information about Free Eye Screening Camps to be held in December and February was also provided at this stall.

Happy Birthday Rtn. Binod Koirala, DG

Your exemplary leadership inspires us to serve with greater dedication and integrity. May this year bring guiding strength and bring about transformative, positive changes across Rotary District 3292—Nepal, Bhutan, and the clubs of Nepal—empowering us all to achieve more together. Wishing you health, happiness, and continued success in your noble mission.
