### School Educational Material Distribution

In today's era, education is the basic right of every child. With the aim of ensuring such a right and making students more motivated towards studies, Rotary Club of Hetauda has completed an educational material distribution program at Shree Rastriya Secondary School, Sanutar, Bimphedi-1.

In the program, 300 students from nursery to class 10 were distributed copies, pens, pencils, and other educational materials. Addressing the program, which was attended by a significant number of Rotarian members of the club, the school's principal, Man Bahadur Ghalan, said that this support has increased the enthusiasm of both the school and the students. Parents also said that such programs will be of great help to children from economically weak families.

Teachers, parents, students and the local community participated enthusiastically in the educational material distribution program, which was partially sponsored by local Mr. Basu Lal Shrestha. In the program, Rtn. Pramesh Pradhan, President inspired the students to study diligently and said that education is the greatest asset in life.
